

Departamento de Ingeniería Informática

The Department of Computer Science of Universidad Autónoma de Madrid (www.ii.uam.es) has several openings for visiting positions of 2 to 6 months duration in the 2011-2012 academic year. The ideal profile is a senior scientist on sabbatical or long-term leave, although senior post-docs are also encouraged to apply. Applications will be processed as they are received, though the call will be open till the end of December 2011.

Any queries, please contact with the Head of the Department at eduardo.serrano@uam.es
